Dear Judy,

On behalf of the people of Michigan, congratulations on being named one of the 2019 L'Oréal Paris Women of Worth. This is an incredible honor, as you are only the second Michigander to receive this title since the competition's founding.

Your work with the Eric "RicStar" Winter Music Therapy Camp at Michigan State University's Community Music School has been influential in empowering young people to use their talents to find success and peace. You channeled the unthinkable pain of losing a child into a way to support other children across our state, and I am proud of all your hard work. Your strength and dedication are a testament to some of Michigan's best qualities. Michigan is lucky to have individuals like yourself who have left a lasting positive impact on the lives of hundreds of Michigan children.

Again, congratulations on being named one of the Women of Worth on behalf of L'Oréal Paris. I have no doubt that you will see continued success in all your future efforts.

Sincerely,

Gretchen Whitmer
Governor of Michigan
